BERWICK TOWNSHIP RESOLUTION NO.

WHEREAS, Section 1504 of the Second Class Township Code, 53 P.S. Section 66504, authorizes a municipality to establish by resolution a procedure by which personal property of the Township with a fair market value estimated to be less than One Thousand (\$1,000.00) Dollars, either individually or by lot, may be sold without further action of the Board of Supervisors; and

WHEREAS, the Board of Supervisors of Berwick Township wish to establish a procedure to dispose of personal property of the Township which is no longer needed for public use, is obsolete, or is unfit for the use for which it was originally acquired, in accordance with the Second Class Township Code.

NOW THEREFORE, BE IT RESOLVED:

1. In the event that the Board of Supervisors of Berwick Township desires to dispose of personal property of the Township, the fair market value of which, either individually or by lot, is estimated to be less than One Thousand (\$1,000.00) Dollars, the Board of Supervisors may sell the property at a private sale under the following conditions:

a. The Board of Supervisors must determine that the personal property is no longer needed for public use, is obsolete, or is unfit for the use for which it was originally acquired.

b. The minimum sale price for the personal property must be set by the Board of Supervisors at a public meeting based upon all available data.

c. Any offer to purchase the personal property must be made at a public meeting, and the Board of Supervisors must take action on the offer at a public meeting.

2. In the event that a Supervisor offers to purchase any property of the Township under this procedure, the Supervisor may neither vote to set the purchase price, vote to accept the offer, nor vote to decline any other offer which may be made with respect to the property.

RESOLVED this 24th day of May, 2010.
