--

Berwick Township
Application for Well Construction

Upon obtaining a well application from the Berwick Township Office and paying the well application /permit fees, complete Part I of the well application and sign. Be sure to attach sketch of premises showing proposed location of well, buildings, boundary lines, and septic tank(s) absorption area(s), drain field(s). Also, show the preceding items on adjoining properties if they are in the proximity of the proposed well isolation distances. Submit this form to the Township's Representative. See below for Table of Isolation Distances.

Source of Pollution	Minimum Distance
Storm Drains	25 Feet
Drains carrying domestic sewage or industrial waste	50 Feet
Septic on Holding Tanks	50 Feet
Surface/subsurface sewage disposal fields	100 Feet
Sewage seepage pits, cesspools	100 Feet
Privies	50 Feet
Fuel Tanks	As Approved
Other (ditches, streams, barnyards)	As Approved

Additional Location Restrictions

Driveways	10 Feet
Principal structure / dwellings	20 Feet
Property Lines *	10 Feet

* Burden of proving location of property line shall fall on property owner.
If necessary a survey shall be preformed.

Agreement of Conditions of Permit

Attachment: This permit is issued for use as a water supply to a heating system and nothing else. The owners will not hook up the water supply to any other use as in wash rooms, rest rooms and any other type of use without first connecting to a septic system.

Aggrement made this _____ day of _____ 2005 by the applicants of this permit, agreeing to the single use of this permit as discribed.
